

Job Description: Each member of our Arts & Camp Creations Team facilitates **one** of our specialized art and creative program areas on campus. Once hired, you'll be assigned primarily to **one** position and may be asked to cover for another related position as needed. Staff applying for this team will be considered for the following positions:

- **Edible Art Staff** facilitate art projects that campers can eat while following a scheduled program curriculum. You'll manage supply inventory and crafting spaces while carefully respecting camper food restrictions and allergies.
- **Arts & Crafts Staff** facilitate arts and crafts projects for campers based on the campus curriculum and schedule. You'll also manage the art room, including organizing and properly storing supplies and materials.
- **Lanyard Land Staff** help campers create fun accessories using plastic lace in one of our newest camp programs. You'll guide campers through lanyard projects while fostering creativity and skill development.

Eligibility Requirements: Arts & Camp Creations Staff should have strong organizational and leadership skills with an affinity for hands-on projects. Staff will follow the campus curriculum and schedule provided by Camps 'R' Us. Classroom experience and a background in education are a plus.
