

Job Description: Athletics Team Members facilitate athletic activities while teaching core competitive and cooperative skills to campers daily. All activities follow a curriculum-based schedule, so a background in sports, coaching, or physical education is recommended.

Athletics Team Members may rotate through all available positions on a daily or semi-daily basis.

- **Field Athletics Staff** lead outdoor sports and activities for campers while maintaining and organizing outdoor athletic fields, equipment, and activity areas to ensure a safe and engaging environment.
- **Court Sports Staff** lead campers in competitive and cooperative sports and games on the courts while managing and maintaining the court activity space and equipment.
- **Gymnasium Staff** lead campers in indoor sports and games while managing and maintaining the gym space and equipment to ensure a safe, organized, and fun environment.
- **Splash Zone Staff** must be ready to get splashed daily while leading campers in fun water activities. You'll manage the campus waterslide and Splash Zone equipment while ensuring a safe and engaging environment.
- **Gaga Staff** supervise campers playing in the Gaga pit, uphold game rules, ensure safe entry and exit, and participate in games with campers.

Eligibility Requirements: Athletics Staff should have a background in organized sports and an interest in coaching or physical education. Current and former athletes, coaches, and physical education teachers are preferred.
