

Job Description: For **Campus Photographers** We're looking for creative, enthusiastic photographers and media specialists to help tell the story of camp through the smiles, laughter, teamwork, and magic that make every day unforgettable. As part of our media team, you'll work closely with the Camp Director and Marketing Department to create vibrant photo and video content that celebrates our campers, showcases our programs, and connects our community.

- **Parent Photographers** work from 9:00 AM to 3:00 PM with a 30-minute break and receive full free tuition for one camper in exchange for their time. This role is ideal for parents who love capturing memories and want to be part of camp life while their child enjoys the summer experience.
- **Staff Photographers** work a 4-hour shift during either morning or afternoon hours and receive hourly pay. This is a great opportunity for students or photographers looking to gain real-world experience in lifestyle and event photography.

Eligibility Requirements: Candidates must provide their own camera, smartphone, or video recording device capable of producing high-resolution images with a minimum quality of 1080p suitable for social media platforms including Instagram, Facebook, and TikTok. Applicants should have access to basic photo and video editing software or apps, which may include mobile applications like CapCut or InShot, or desktop software such as Canva, Lightroom, or iMovie. Photographers must have a reliable method for transferring and backing up photos and videos daily through cloud storage, external drives, or direct transfer methods.
